

***Volunteers needed!***

**Be a part of an exciting San Diego tradition!**

Senior Troop 3116 from Point Loma is organizing a water station for the 2009 Rock and Roll Marathon.

The event takes place on Sunday, May 31st

Water stations are an essential part of this huge annual event. We need 50 to 100 scouts and leaders to help us run the first ever Girl Scout water station.

Work a couple of hours or the whole event. We will have shifts available from 4:30am to 11:30 am.

*You must be 14 years old to volunteer.*

In addition to being part of this exciting event, you will receive a T-shirt, goodie bag and free admittance to the headliner concert at the end of the race at MCRD.

Please email Lisa Stapleton at [lisa-stapleton@cox.net](mailto:lisa-stapleton@cox.net) or call 619-224-4332 for information.

**Please volunteer by May 18!**
